

## **A Message to our customers about COVID-19 (Updated 6/08/2020)**

Thank you for your continued support in the wake of the COVID-19 pandemic.

Our US headquarters and warehouse are in Wilmington and Leland, NC respectively. Both counties are now well into Phase II. Our warehouse and headquarters teams are working at a fulltime capacity while continuing to monitor and implement all guidelines set forth by the CDC.

Refocusing our efforts in the wake of COVID-19 has required the restructuring our team, but our top priority remains minimizing disruption of service to our valued partners. We remain available by email, phone, or teleconference to assist with any questions or concerns about products. Do not hesitate to reach out to our customer service department for assistance.

Thank you for your unwavering support as we continue to navigate this challenging time.

Sincerely,

**The Kesseböhmer USA Team**
